ADVANCES 2018

CME CREDIT HOURS AWAITED

Dear Colleagues,

Greetings from Trivandrum OBGYN club!!

On behalf of the Organising Committee It gives me great pleasure to invite you to Advances 2018 -the XIXth Annual International Congress in Obstetrics, Gynaecology and Reproductive Medicine at Vivanta by Taj,Trivandrum on 10,11,12th August 2018.

The highlight of this Advances will be 3 workshops simultaneously held on the first day of the meeting.We have a Pre Congress workshop which will be held on 10th August. The Pre Congress Workshops are divided into three: High Risk Obstetrics, Infertility and Uro-Gynecology.

We have Prof William Ledger from Sydney, Australia conducting Infertility workshop and Prof Ajay Rane from Queensland sharing his experience in UroGynaec and Prof Lucy Chappell from Kings Hospital, United Kingdom expert in Foeto Maternal medicine to share their experiences in the workshops.

Prof Ajay Rane will be delivering the Pre Congress Oration this year on the "Burning problem of Sexual Dysfunction". Prof William Ledger from Sydney, Australia will highlight on Reproductive Medicine topics and deliver the Key note address. Dr Ava Desai from Gujarat Cancer Institute, Ahmedabad will be delivering the Dr Thomas Chandy Memorial Oration. Dr Rupin Shah, the noted Andrologist from Mumbai will be delivering the Advances 2018 Oration this year.

On behalf of the Organizing committee I extend a warm welcome to each one of you to participate in this Congress. It is your participation which makes the proceedings lively and congress successful.

Looking forward to your participation in large numbers at Advances 2018.

Warm welcome to thiru anantha puram

Thiruvananthapuram also known as Trivandrum, is the capital and the largest city of the Indian state of Kerala. The city has a population of 957,730 inhabitants and a metropolitan population of 1.68 million, making it the most populous city and the fifth most populous urban agglomeration in Kerala. Thiruvananthapuram is a major Information Technology hub in India, Thiruvananthapuram is located on the west coast of India near the extreme south of the mainland. Referred to by Mahatma Gandhi as the Evergreen city of India, the city is characterised by its undulating terrain of low coastal hills. It is classified as a Tier-II city by the government of India.

Thiruvananthapuram is a major tourist hub in South India. Kovalam and Varkala are popular beach towns located near the city. The Padmanabhaswamy Temple circled by the East Fort is believed to be among the richest and grandest temples in the world. Other places of interest include Shanghumukham, Azhimala Beach, Agasthyamala rain forests, Neyyar Wildlife Sanctuary, Kallar, Braemore, Ponmudi hills, Poovar and Anchuthengu backwaters, Varkala Cliffs and Kappil, Edava lakes. Agasthyamala Biosphere Reserve is enlisted by UNESCO to its World Network of Biosphere Reserves. The city is also known for its unique style of architecture involving Kerala Architecture with British and Dravidian influences in Napier museum, Zoo which is one of the oldest in Asia, Kuthiramalika and Kilimanoor Palaces. Although there are a number of museums, Kerala Science and Technology Museum includes the Priyadarsini Planetarium with the biggest projection screen in south India.
